

# SCENTS & MOOD

*School solutions for all odor problems*

**40%**

Improvement in **mood**  
after being exposed to  
**pleasant scents**

**75%**

of all **emotions**  
generated every day are  
from the sense of **smell**

## Schools

- students who learn in a room with the scent of rosemary or lavender are able to remember more information.
- Lavender is sometimes called the student's herb because of its long association with relaxation and ability to aid concentration.
