

Odor Control Specialists

Stop wasting manpower to fight foul odor in your facility's restrooms.

RESTROOMS: DILUTION AT HAND

This powerhouse of a system operates by taking highly concentrated solutions, diluting them, and then delivering them to the desired container for the user in a closed system.

Improve Efficiency and Safety

- Eliminates exposure to highly concentrated chemicals
- Create your own dilutions to reduce shipping costs, reduce waste and reduce space needed for packaging

Products

- Maui Mist - Deodorizer/Cleaner
- Berry Zyme - Odor eliminating enzyme
- Glass Cleaner - Concentrate
- Lustre Restore - Mop on or burnish floor care
- Hydro Blast - Universal Degreaser
- CD-641 - Fresh disinfectant

TRASH: SELECTOSPRAY AND PRO SCENTNAL

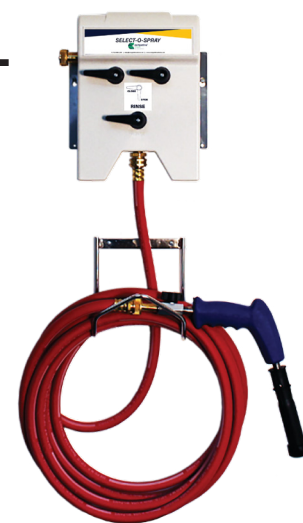

Keep your trash chute room & trash dock clean and smelling fresh, preventing customer odor complaints

What's Included

- Metering Tip for proper product dilution
- 25 or 60 ft. hose with pressurized spray nozzle
- Rinse feature for water (no extra hose needed)

Products

- Berry Zymes - Powerful odor - eliminating enzyme that eats and breaks down odor-causing bacteria
- Hydro Blast - Universal degreaser to clean and degrease

SEWER: DRAIN TRAPPER

The Automatic Drain Maintenance System delivers the products your drains need to run smoothly all day, everyday. We recommend this product in particular for facilities with lift stations, grease traps, sump pumps, and water waste treatment plants

Benefits

- Prevents emergency backups
- Eliminates foul odors at the source
- Reduces the costs of drain maintenance and back-ups
- Prevents human contact with sewage, making as healthier workplace

Products

- Berry Zymes - Odor Eliminating Enzyme
- Orange Action - Citrus Degreaser
- Lift Away Degreaser - Floating Treatment
