

Graffiti Buster (CC156)

Graffiti Eliminator

LABEL INFORMATION

GRAFFITI BUSTER Graffiti Eliminator

Graffiti wipes remove paint and graffiti in one easy step. The biodegradable formula contains powerful cleaners to quickly attack all forms of graffiti. Scrubbing action is built into the fabric to complement the effective formula. Removes most paints including tough enamels. Does not contain methylene chloride or other harsh chemicals leaving wipe safer to handle. Towels remain moist in container until ready for use. NOTE: When using on pre-painted surface, initially test on an inconspicuous area to make sure paint is not removed along with the graffiti. The formula may attack certain plastics.

USE ON

- Bathroom Stalls
- Phone Booths
- Bus Stops
- Desks
- Wall Tile
- Trains

USE IN

- Schools
- Subway Stations
- Freeways
- Locker Rooms

USE FOR

- Graffiti Removal

FEATURES & BENEFITS

Safer than chlorinated solvent graffiti removers | Cleans a wide variety of graffiti types on many different surfaces | Convenient, pop-top dispenser eliminates waste. Use only what you need to complete the job

DIRECTIONS

You may choose to use gloves to protect hands from paint or ink residue. Unfold a towel and lightly scrub in a circular motion to begin dissolving paint and graffiti. Wipe up any remaining residue with a clean cloth. Repeat if necessary. Discard towel in trash after use.

SPECIFICATIONS
