

Easy Fresh Fan (CC177) Dispenser

LABEL INFORMATION

Easy Fresh Fan Dispenser

Powerful enough to freshen larger areas:

The cover contains 2-3 times more fragrance than gels or metered aerosols. The motor driven fan moves air freshener further than a typical passive system, so you'll freshen larger areas.

Freshens consistently for 30 days:

The smart chip controlled fan freshens consistently since it turns sparingly in week 1, and gradually turns more frequently until week 4 when it runs constantly.

Easy to use:

Maintenance is simple with easy to use LED and audible reminders along with a push button cover for quick removal and replacement.

Safe for the environment:

Cannot spill or misfire, part of the industry's first closed-loop recycling program so it's easily recyclable.

USE ON

- Walls
- Multi-Surfaces

USE IN

- Restrooms
- Hospitals
- Kitchens
- Residential Areas
- Factories
- Work Sites

USE FOR

- Air Freshening

PACKING INFORMATION

12 units per case or 1 individual fan

FEATURES & BENEFITS

Freshens consistently – releases fragrance for 30 days. | Efficient – the fan only turns when the lights are on, which extends the alkaline battery life up to 6 months. | The Easy Fresh reminds you when to service it through 3 prompts.

DIRECTIONS

1. Insert "C" size alkaline battery. Make sure the fan turns for 10 seconds and the green LED light blinks.
2. Hang cover on top mounting tab, then pull down over bottom mounting tab
3. After 30 days, push up firmly on lower release tab to loosen cover.
4. Remove spent cover. The red and green LED lights will both blink to reset the program. Repeat step 2 to install a new cover

SPECIFICATIONS

Appearance: Air freshener hemisphere infused with fragrance oil.
Odor: Various Fragrance
Odor Threshold: Not determined
Color: white
