EASTMAN®

MADE RIGHT. MADE TO LAST.

For more than 50 years, EZ-FLO & Eastman has been synonymous with premium quality appliance and plumbing connectors trusted by generations of professional installers, plumbers and consumers. Over the years, EZ-FLO & Eastman has expanded the product line to include pans, outlet boxes, expansion tanks, and more. Today, every product manufactured by EZ-FLO & Eastman carries a long history of quality and innovation. When you stock EZ-FLO & Eastman products, you can be confident you are getting the most reliable installation parts that are made right and made to last.

EASTMAN®

WORLD CLASS MANUFACTURING

Eastman owns a state-of-the-art manufacturing facility where every aspect of production is managed from start to finish. By operating our own facility, we are able to assure that the highest quality standards are met for each product. Eastman has more than 50 years of experience in designing, engineering, and manufacturing quality plumbing and appliance installation products. We are committed to maintaining or exceeding the highest level of quality standards of manufacturing for decades to come.

POLY F1960 EXPANSION PEX FITTINGS

NEW

PEX is now installed more often in new home construction than copper and CPVC combined because it is cost-effective and highly durable. PEX is also flexible, resistant to scale and chlorine, and is faster to install than metal or plastic because there are fewer connections and fittings. **Eastman now offers an expanded line of PEX products.**

Terms and Conditions of Sale

Freight & Shipping Policy

Orders exceeding \$900.00 net will be shipped prepaid to destinations within the continental United States. Orders to Alaska, Hawaii and Puerto Rico exceeding \$900.00 net will be shipped prepaid to nearest continental United States port.

Terms

2% 10, net 30 days. Any amount past due is subject to a finance charge of 1.5% per month (18% per annum) on the past due balance. Disputed balances should be brought to the attention of EZ-Flo International immediately for a timely resolution. If any invoice is held in question, the balance not in question shall be paid in accordance with the aforementioned terms. Open accounts are subject to approval by our credit dept. according to customer financial statements, trade references & bank references.

Order Quantities

All orders must be issued in increments of unit order quantities as listed in the catalog. Where only master case quantities are listed, orders must be issued by master case quantities as listed in the catalog. Partial order quantities will be increased to nearest inner case quantities. All orders must be placed conforming to priced units of sale, e.g. bag, dozen, etc. Minimum order - \$100.00 net.

Return Policy

EZ-FLO International, Inc. will respond in most cases, within 24 hours, to all RGA requests. An RGA number (or reason for decline) and instructions will be faxed to the customer along with a Return Materials Form. Returned item(s) must be shipped with the Returned Materials Form in order to be processed. Failure to include this form will result in the shipment being returned to the customer, at the customer's expense, and credit will not be considered.

Return transportation must be prepaid by the customer w/ freight carrier designated unless alternative shipping is authorized in advance as part of the RGA issued by EZ-FLO International. Any shipment sent collect will be rejected and returned at the customer's expense. Freight will be credited on defective merchandise or on orders caused by or resulting from shipping errors on our part.

Credits will be issued at your cost when accompanied by an invoice or P.O.#, otherwise the prevailing price will represent the credited amount due.

Material (excluding defective items) must be received by EZ-FLO International in sellable condition in the original packaging. Material not received in original packaging will be subject to an additional 20% repacking fee. Credits must be taken within one year of receipt.

EZ-FLO International will not accept returns on any merchandise over one year from date of initial sale. Any RGA may be subject to a 20% restocking charge. All RGA's expire 30 days after date of issue. Returns on product (excluding defective items) will be accepted up to 90 days after date of delivery. Product returned without prior approval will be returned to sender freight collect.

Online Orders

Customers may visit www.ez-flo.net or call 800-486-5256 to set up an online account and password to order product online. Applications are subject to an approval process and will be notified of their status once all documentation has been received and reviewed.

*Disclaimer

References to manufacturer's trade names and/or registered trademarks that appear in the EZ-FLO International Catalog, circular or correspondence are intended for the sole purpose of identifying brands.

EZ-FLO repair parts will fit designated brands, and are not to be construed as an endorsement or acknowledgment, either expressed, or implied that products sold are authentic O.E.M. products made by or licensed by such manufacturers. The original equipment manufacturer bears no liability for the quality of EZ-FLO repair or replacement parts.

Claims

No claims will be allowed unless reported within 72 hours of receipt of goods.

All claims for shortage or damage should be reported by consignee, and must be accompanied by a copy of the proof of delivery receipt noting the specific shortage or damage. Any claim should be reported to the Customer Service Department.

EZ-FLO International shall not be held responsible in any claim of injury or damage from the installation of EZ-FLO merchandise.

Customers

All merchandise is sold to wholesale customers for resale. Customer assumes full liability for all taxes or other charges assessed or imposed by any government agency. All customers are required to furnish EZ-FLO International their tax exemption number, or applicable sales tax will be charged. All customers must have a signed and completely filled out credit application on file.

Warranty

EZ-FLO International's warranty shall be limited to replacement or credit, not to exceed the purchase price of the item. Labor and installation charges of any kind are not covered by our warranty. The warranty is against defects in workmanship or material for a period of one (1) year from the date of purchase. The warranty covers only the specific use for which each item is designed. The improper use or installation of any EZ-FLO product immediately voids the warranty. All claims regarding warranty must be reported to EZ-Flo within 3 business days of occurrence.

Backorders

If requested by the customer at the time of order, backorders exceeding \$50.00 will be held for 30 days. Backorders under \$10.00 will be cancelled.

Sales Policy

Possession of this catalog does not constitute an offer to sell.

Prices

Prices are subject to change without notice. All orders will be shipped and invoiced at the prevailing price at time of shipment. For larger or O.E.M. quantities, we would like the opportunity to quote pricing and scheduled deliveries.
