Valid for Wirsbo hePEX™ and Wirsbo AQUAPEX® tubing and radiant heating components to real property owners and succeeding owners during warranty period. This warranty is effective for installations made after Aug. 1, 2002.

Limited Warranty:

Uponor, Inc. warrants to the real property owners and succeeding owners that Wirsbo hePEX™ tubing, Wirsbo hePEX™ plus tubing, Wirsbo AQUAPEX® tubing, Wirsbo AQUAPEX® plus tubing and other parts described in the then current Uponor Heating Parts Catalog shall be free from defects in material and workmanship, under normal conditions of use, when used in radiant floor and ceiling heating systems, snow and ice melting systems, ground conditioning systems and for radiator/baseboard connections. It is expressly understood that failure as a result of heat transfer fluid freezing within the pipes does not constitute a defect in material or workmanship and shall not be covered by this warranty.

Written notification of a believed failure must be received by Uponor within the applicable warranty period, and within thirty (30) days of the believed breach. All product believed to be defective must be made available to Uponor for testing and determination of cause. Upon receipt of warranty claim, Uponor, Inc. shall have ninety (90) business days in which to determine whether it acknowledges responsibility for any believed defects in material or workmanship and the appropriate course of action to be taken.

It is expressly agreed that the exclusive remedies under this limited warranty shall be at the option of Uponor, Inc. to: issue a refund, repair or replace any article which is proven to be defective. Allowances made to customers for transportation, labor, repairs, or any other work, are at the discretion of Uponor and must be authorized in writing, in advance by Uponor.

This limited warranty applies only if the applicable Uponor products identified above:

- (a) are selected, configured and installed by a certified licensed radiant heating contractor according to the then-current (as of the applicable Installation Date) installation instructions provided by Uponor, Inc.;
